Dear Sheila,

The Point Cabrillo Lightkeepers Association (PCLK) is submitting the following adjusted funding request for your review. The requested funds will underwrite the rehabilitation of the remainder of the structures, site, and provide funding for on-going restoration management and administration.

Funding is requested for the following:

	<u>Requested Funding</u>
• Remaining Designs and Permits	\$176,500
• Rehabilitation of 2 Lightkeepers Residences	1,290,000
• Rehabilitation of Other Structures	240,000
• Infrastructure Projects	123,300
• Building Preservation	23,600
• On-going Restoration/Program Management/Administration	287,200

Total Funding requested:

\$2,140,600

The approval of this request will initiate the final critical phase in our partnership's rehabilitation of the historic Point Cabrillo Light Station. The PCLK's Board of Directors and I appreciate your continued assistance and support for this important project. Please contact me at (707) 937-6123 should you have any questions regarding this request.

Sincerely,

James Kimbrell
Executive Director

CALIFORNIA DEPARTMENT OF PARKS AND RECREATION AUTHORIZATION

I concur with the above funding proposal for the Point Cabrillo Lightkeepers Association and Point Cabrillo Light Station Project. I have been provided with a copy of this funding proposal.
